I would like to welcome you to the University of Iowa Presidential Search and Screen Committee. For those of you that I have not met my name is Jean Robillard and I am the University of Iowa?s Vice President for Medical Affairs. I have the distinct honor to serve as the chair of this committee and I am looking forward to the opportunity to work with each of you.

As you may know, the search firm Parker Executive Search (https://www.parkersearch.com/) was selected, through a competitive bid process held by the Board of Regents, to help this committee move forward with a successful search.

As you may further know, we have held 4 town hall style meetings across campus in order to begin the process of gathering additional information from members of the campus and community. You can watch each of these at links listed below:

UI Staff: https://www.youtube.com/watch?v=5O4fvAokY6Q
UI Faculty: https://www.youtube.com/watch?v=CJdjqicLNTA

It is my intention for us to come together as a committee in order to organize and receive our charge from President Rastetter the last week of March. While I recognize not everyone will be able to attend this meeting in person it would be my hope that a majority will be able to do so and others may join via a conference call.

I have included Peter Matthes, the individual who will help staff the committee from the University of Iowa, on this email in the cc line. If you have any questions at all please do not hesitate to go to our website http://president.uiowa.edu/ui-president-search or contact me or Peter.

You will also find attached the names of all the committee members in an appendix with a brief bio for each member.

Again thank you for serving and I look forward to seeing you all very soon.

Jean
