Sarah,

I've worked closely with five presidents at the UI and three interims, including myself. I feel that Ron, in many ways, trumps all of us, considering his background, administrative experience, and personality. My hope is that the nine candidates now selected are truly exceptional. It's a tough job that requires an all-rounder. Good hunting.

Gary

Gary,

The search committee chose not to interview me for the position.

Thanks for your support.

Ron
