Porsha-
On the 18th, I will change a doctor's appointment to be available after 10:00 a.m. in Iowa City. My 7:30 a.m. meeting is locked in and cannot be changed.

Hope this is helpful.

Hello!! Thanks for your response to our request for availability. Per your responses, August 18th may pose some challenges with your current calendars. We have a current request for availability for August 20th, but understand there is a Faculty Council Administrative Retreat that day that will prevent several members from attending.

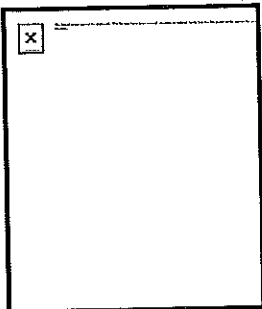

Before we propose new dates and alter the current proposed timeline, we wanted to see if there is any flexibility on your end. If not, perhaps you can propose two back to back dates that may work?

Thanks,

All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting* and *Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting* and *Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. Our hope is to have the final timeline confirmed and distributed no later than Wednesday of next week.

Subject: Parker Executive Search- Revisions to Proposed Timeline

All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting* and *Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. Our hope is to have the final timeline confirmed and distributed no later than Wednesday of next week.

Have a good weekend!!

Subject: Parker Executive Search- Revisions to Proposed Timeline

All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

[REDACTED]

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting* and *Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. Our hope is to have the final timeline confirmed and distributed no later than Wednesday of next week.

Have a good weekend!!

Dear Search Committee Members,

I want to provide some additional information for our meeting on Wednesday the 25th of March.

In order to have the room set up and ready we would like to know if you plan on attending the meeting. We are also going to have a dinner for the committee members starting at 5 pm at the Marriott in Coralville at Iowa River Landing in the Benson Room (2nd Floor).

If you could please provide an RSVP to Peter Matthes for both the meeting as well as the dinner at peter-matthes@uiowa.edu as soon as possible it will help greatly in our planning.

We understand that some of our committee members will be unable to attend in person but hopefully you will be able to attend via conference call. You will find the information for that call listed below:

One additional housekeeping note, we are putting together a book for potential candidates and would like to include headshots of the committee members in that document. We will have individuals at the meeting that will be able to take your headshot either before the meeting (noon – 1 pm) in room 2289 CBRB or after the meeting in the Kelch Conference Room.

I look forward to seeing each of you on Wednesday.

Minutes of the meeting of the University of Iowa
Presidential Search and Screen Committee held July 1, 2015

Meeting convened via conference call at 12:00 p.m.

Meeting was called to order by Chair Jean Robillard.

Roll Call was taken and the following members announced their presence via the conference call: Bruce Rastetter, Katie Mulholland, Milt Dakovich, Sarah Gardial, Alex Thomas, Christina Bohannon, Gigi Durham, Lena Hill, Dorothy Johnson, Ali Salem, Chuck Wieland, Cathy Zaharis, Peter Jeffries, and Larry Beaty. A quorum was declared.

A motion was made and seconded to approve the minutes of the prior meeting which had been distributed previously which motion was approved unanimously via voice vote.

Laurie Wilder from Parker provided an update on the search. Since the last meeting, Parker has been aggressively marketing the position, advertising in various publications, including Chronicle of Higher Education, Diverse Issues in Higher Education, Women in Higher Education, Hispanic Outlook, the Economist, Forbes Magazine, Leiter's Report and others as listed on the University of Iowa's website and Parker's website. Parker is beginning to get some feedback from those advertisements. Parker has put together a list of 500+ individuals which have been identified as individuals to contact. The list includes leaders at top institutions as well as some nontraditional candidates. The process involves making direct phone calls to determine interest and develop sources for other potential candidates.

115 nominations or recommendations have been received and Parker is contacting all to see if interested. Some have declined, some will consider the position and some have submitted materials. Laurie Wilder shared the feedback that has been received about the position from those contacted which includes positive comments about the University and its scope and reputation. Questions from candidates have typically covered fiscal issues, budgets, reallocation proposal, relationship with Board and State, and the motivation of the campus for

new leadership. There are also questions about the process and the public component of the search and confidentiality. Currently 11 have officially applied, 45 are considering applying and doing due diligence, and 16 have indicated that they will submit materials.

Responding to questions from members, Parker is still in active recruitment. Many candidates will only submit materials at the last minute due to concerns about confidentiality. Potential candidates who are currently presidents or chancellors or deans of large colleges or institutions will be concerned about the public component but the short timeline between coming to campus and decision by the Board will help. Candidates are interested in knowing the culture and environment and whether there will be support for a new president. Parker has told candidates that the stakeholders are hungry for a new president to move the institution forward, not maintain the status quo. The likely number of nontraditional candidates will be relatively small. As of today, 2 individuals in that category are considering applying.

Laurie Wilder described next steps. This afternoon committee members will have access on the Parker secure website with a candidate status log, with officially submitted names in blue as well as those who have declined. It does not include the entire 500+ list. Laurie Wilder requested that the members review the list and advise Parker if you know any of the candidates and requested that members coordinate with Parker before contacting anyone on the list. Parker will have regular calls going forward with the Chair. July 30 is the next update call. Previously access to candidate material was going to be made available on July 31, but in response to a request by the Chair to have earlier access, that material will be made available starting on July 24. Candidates have been told that they have until July 31 to provide materials and many will wait until the last moment. The conference call meeting on the 30th will be about the process to evaluate the candidates. A key meeting will be on August 4 here on campus from 3-5 pm to make decisions about the initial interviewees. The airport interviews are scheduled for August 11 and 12 in Chicago. On-campus interviews will take place between August 31 and September 3. On September 4 the Board will meet with the candidates.

Christina Bohannon asked if 2 hours was a sufficient amount of time for the selection of finalists on August 4. Laurie Wilder explained that, prior to that meeting, the members will have reviewed the candidates materials and written comments on the Parker site which includes placing the candidates in one of three categories: want to see: want to learn more; or no interest. Typically 3 or 4 rise to the top, 10-15 are in the next bucket. Usually at that meeting the committee is focused on 8 -10 people and there is no need to talk about the others that no one has expressed interest in. Usually such meetings are done in 2 hours, but if we need more time, we will take more time.

Jean Robillard thanked everyone for participating and adjourned the meeting at 12:40 pm.

Opportunity

The next President of The University of Iowa will have an unparalleled opportunity to take one of the nation's top comprehensive research universities to the next level with the support of outstanding faculty, students, staff, and external constituencies. Building on a 168-year foundation of innovative thinking, Midwestern values, and a spirit of collegiality, the campus boasts many nationally- and internationally-recognized programs across undergraduate, graduate, and professional disciplines. We are searching for a principled leader who can harness the University's dual strengths of rich traditions and innovative thinking, while inspiring and championing a collective vision. Although our institutional reach is far beyond Iowa City, the campus is anchored in a true college town that is frequently praised for quality of life as well as its educational and cultural vibrancy.

About the University

Founded in 1847, The University of Iowa is Iowa's flagship university and a world-class teaching and research institution. A member of the Association of American Universities since 1909 and the Big Ten conference since 1899, the University has outstanding Colleges of Business, Dentistry, Education, Engineering, Law, Liberal Arts and Sciences, Medicine, Nursing, Pharmacy, Public Health, and Graduate College. It is also tremendously proud of its more than 31,000 students and hundreds of thousands of loyal alumni.

The University is nationally and internationally recognized for high-quality programs across a variety of disciplines. US News recently ranked twenty-five of the University's graduate programs in the Top 25, from Law to Social Psychology to Nursing, Physician's Assistant, and Public Health programs. With particular strength in the health sciences, the University boasts one of the nation's largest and most prestigious academic medical centers, including the Carver College of Medicine and University of Iowa Hospitals and Clinics (UIHC). UIHC is not only on the cutting-edge of patient care, but was also recently ranked the Number 1 health care employer in the country by Forbes Magazine. Moreover, the University is a leader in innovation and entrepreneurship. With the dynamic Tippie College of Business, a growing College of Engineering, and an expanding research park, the University is poised to transform today's nascent ideas into tomorrow's successful companies.

A pioneer in higher education, the University was the first public university in the United States to admit men and women on an equal basis and regardless of race. It also led the country in inventing the Master of Fine Arts (MFA) degree. The renowned Iowa Writers' Workshop and International Writing Program remain the most respected and competitive in the world. In addition, the University is the proud recipient of the 2015 Carnegie Community Engagement Classification, the gold standard of recognition for community engagement efforts at institutions of higher education.

The University of Iowa values teaching and research excellence, academic freedom, diversity, and shared governance. Central to the University's mission is a distinguished faculty of more

than 1,600 tenured and tenure-track faculty and 1,100 clinical-track and other faculty across all colleges. Expert staff, including more than 12,600 in the University and 11,000 in the hospital and UI Health Care, provide outstanding support services.

Situated on the picturesque Iowa River, the campus spans 1,700 acres and more than 500 major buildings. It is well-poised for future growth with many new buildings recently or soon to be completed, including impressive residence halls, a state-of-the-art children's hospital, biomedical research and public health buildings, and spectacular fine and performing arts venues. The campus is located in Iowa City, a UNESCO City of Literature within a short driving distance to major metropolitan areas. With a diverse community, excellent schools and libraries, and a vibrant cultural life, Iowa City is casual, comfortable, and cosmopolitan.

I would like to welcome you to the University of Iowa Presidential Search and Screen Committee. For those of you that I have not met my name is Jean Robillard and I am the University of Iowa's Vice President for Medical Affairs. I have the distinct honor to serve as the chair of this committee and I am looking forward to the opportunity to work with each of you.

As you may know, the search firm Parker Executive Search (<https://www.parkersearch.com/>) was selected, through a competitive bid process held by the Board of Regents, to help this committee move forward with a successful search.

As you may further know, we have held 4 town hall style meetings across campus in order to begin the process of gathering additional information from members of the campus and community. You can watch each of these at links listed below:

Community: https://www.youtube.com/watch?v=Qj29dCT_kvQ

UI Staff: <https://www.youtube.com/watch?v=5O4fvAokY6Q>
UI Faculty: <https://www.youtube.com/watch?v=CJdjqicLNTA>

It is my intention for us to come together as a committee in order to organize and receive our charge from President Rastetter the last week of March. While I recognize not everyone will be able to attend this meeting in person it would be my hope that a majority will be able to do so and others may join via a conference call.

I have included Peter Matthes, the individual who will help staff the committee from the University of Iowa, on this email in the cc line. If you have any questions at all please do not hesitate to go to our website <http://president.uiowa.edu/ui-president-search> or contact me or Peter.

You will also find attached the names of all the committee members in an appendix with a brief bio for each member.

Again thank you for serving and I look forward to seeing you all very soon.

I am so sorry about this. My 7:30 a.m. meeting is my inaugural meeting as East Central United Way Board president. I don't anticipate any more conflicts except for death. If I am the only conflict, I will get there when I can.

Thanks Katie. Because meetings are in Chicago, it sounds like our best option is to look at alternate dates.

Porsha-
On the 18th, I will change a doctor's appointment to be available after 10:00 a.m. in Iowa City. My 7:30 a.m. meeting is locked in and cannot be changed.

Hope this is helpful.

Hello!! Thanks for your response to our request for availability. Per your responses, August 18th may pose some challenges with your current calendars. We have a current request for availability for August 20th, but understand there is a Faculty Council Administrative Retreat that day that will prevent several members from attending.

Before we propose new dates and alter the current proposed timeline, we wanted to see if there is any flexibility on your end. If not, perhaps you can propose two back to back dates that may work?

Thanks,

Questions from Dean's gathering on July 29th

1. The President of the university should be a positive spokesperson for us at local, state, and national level. What kind of savvy/experience should a university president bring to the job? Can you give a positive and negative example from your own experience?
2. UI is Iowa's flagship university. How would you define a flagship university, with particular reference to what is special about this designation?
3. Who do you listen to – what types of people do you want around you when important decisions are being made?
4. Iowa is a very collaborative place and it's important that this culture be sustained. How do you institutionalize collaboration in a university?
5. From what you know about population trends in Iowa what should the University be doing to prepare for/optimize this future?
6. How can a university president be a leader in the state?
7. Who do you see as the UI's aspirational university models?
8. As your candidacy moves forward, you will be in a position to ask for things as part of your package. What would want to know as you negotiate your package – or what would you be asking for?
9. What are your metrics for success as president
