All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

[REDACTED]

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting* and *Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. Our hope is to have the final timeline confirmed and distributed no later than Wednesday of next week.

Have a good weekend!!

**Subject:** Parker Executive Search- Revisions to Proposed Timeline

All,

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting and Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. Our hope is to have the final timeline confirmed and distributed no later than Wednesday of next week.

Have a good weekend!!

Thanks so much for your patience as we finalize timing for the Presidential search process. We have had significant revisions to the search process due to scheduling conflicts and ask that you respond to the doodle poll below with your availability.

We strongly encourage as much flexibility as possible as the *Candidate Selection Meeting* and *Initial Interviews* (to be held in Chicago so travel accommodations are needed) are the most critical dates in the process. Our hope is to have the final timeline confirmed and distributed no later than Wednesday of next week.
